

The entire month of March is the liturgical season of Lent which is represented by the liturgical color violet or purple — a symbol of penance, mortification and the sorrow of a contrite heart. All saint days that are usually Memorials are shifted to Optional Memorials during the season of Lent.

The Holy Father's Intentions for the Month of March 2026

For disarmament and peace:

Let us pray that nations move toward effective disarmament, particularly nuclear disarmament, and that world leaders choose the path of dialogue and diplomacy instead of violence.

The month of March is dedicated to St. Joseph.
