Immaculate Conception

The Feast of the Immaculate Conception, which is profoundly influential among the faithful, is an occasion for many displays of popular piety and especially for the novena of the Immaculate Conception. There can be no doubt that the feast of the pure and sinless Conception of the Virgin Mary, which is a fundamental preparation for the Lord's coming into the world, harmonizes perfectly with many of the salient themes of Advent. This feast also makes reference to the long messianic waiting for the Saviour's birth and recalls events and prophecies from the Old Testament, which are also used in the Liturgy of Advent.
