FROM FEAST TO FAST

Though the shortest month of the year, February is rich in Liturgical activity. It contains a feast (Presentation of our Lord) that bridges two other seasons (Christmas and Easter)! In addition, the faithful may receive in February two of the four major public sacramentals that the Church confers during the liturgical year: blessed candles and the blessing of throats.

The Solemnity of the Presentation of the Lord on February 2nd harkens back to the Christmas mystery of Light except that now, Christ, the helpless babe, is "the Light of Revelation to the Gentiles who will save his people from their sins." Candles, symbolizing Christ our Light, will be carried in procession this day, as will be the Paschal candle during the Easter Vigil Liturgy.

"The Light of Revelation" shines more brightly with each successive Sunday of Ordinary Time, until its magnificence—exposing our sinfulness and need for conversion—propels us into the penitential Season of Lent. We prepare to accept the cross of blessed ashes on Ash Wednesday (February 22) and plunge ourselves into anticipating the major exercises of Lent—fasting, prayer, almsgiving—laying our thoughts and prayers on the heart of our Mother Mary. She, who offered her Son in the temple and on the Cross, will teach us how to deny ourselves, take up our cross daily, and follow after her Son.

PRESENTATION OF THE LORD

The feast was first observed in the Eastern Church as "The Encounter." In the sixth century, it began to be observed in the West: in Rome with a more penitential character and in Gaul (France) with solemn blessings and processions of candles, popularly known as "Candlemas." The Presentation of the Lord concludes the celebration of the Nativity and with the offerings of the Virgin Mother and the prophecy of Simeon, the events now point toward Easter.

"In obedience to the Old Law, the Lord Jesus, the first-born, was presented in the Temple by his Blessed Mother and his foster father. This is another 'epiphany' celebration insofar as the Christ Child is revealed as the Messiah through the canticle and words of Simeon and the testimony of Anna the prophetess. Christ is the light of the nations, hence the blessing and procession of candles on this day. In the Middle Ages this feast of the Purification of the Blessed Virgin Mary, or 'Candlemas,' was of great importance.

"The specific liturgy of this Candlemas feast, the blessing of candles, is not as widely celebrated as it should be, except of course whenever February 2 falls on a Sunday and thus takes precedence. There are two ways of celebrating the ceremony, either the Procession, which begins at a 'gathering place' outside the church, or the Solemn Entrance, celebrated within the church."

ST. BLAISE-FEBRUARY 3RD

St. Blaise was a physician and Bishop of Sebaste, Armenia. He lived in a cave on Mount Argeus and was a healer of men and animals. According to legend, sick animals would come to him on their own for help but would never disturb him at prayer.

Agricola, governor of Cappadocia, came to Sebaste to persecute Christians. His huntsmen went into the forests of Argeus to find wild animals for the arena games and found many waiting outside Blaise's cave. Discovered in prayer, Blaise was arrested, and Agricola tried to get him to recant his faith. While in prison, Blaise ministered to and healed fellow prisoners, including saving a child who was choking on a fish bone; this led to the blessing of throats on Blaise's feast day.

Thrown into a lake to drown, Blaise stood on the surface and invited his persecutors to walk out and prove the power of their gods; they drowned. When he returned to land, he was martyred by being beaten, his flesh torn with wool combs (which led to his association with and patronage of those involved in the wool trade), and then beheading.

Blaise has been extremely popular for centuries in both the Eastern and Western Churches and many cures were attributed to him, notably that of a child who was suffocating through a fish bone being caught in his throat. In 1222 the Council of Oxford prohibited servile labour in England on his feast. He is one of the Fourteen Holy Helpers. He is invoked for all throat afflictions, and on his feast two candles are blessed with a prayer that God will free from all such afflictions and every ill all those who receive this blessing.
