**THIS WEEK ON FORMED**

**Homeless But Human | Christ in the City:**

This powerful documentary captures the transformation of individuals living on the streets that the Christ in the City missionaries encounter and showcases a new approach to the

rising crisis of homelessness. The film's videographer spent a year with the missionaries, providing a rare opportunity to see the incredible impact they have on the lives of those they serve. Through their unique relational approach, Christ in the City is changing lives and offering hope to those who have lost everything. This film is a must-see for anyone who wants to understand the root causes of homelessness and witness the power of human connection in addressing this critical issue.

**God's Doorkeeper:** looks at the heart and legacy of Brother André—as a man of prayer, of hospitality, and of compassion, a man who draws people in to experience a God who is love. Brother André also had a tremendous

devotion to St. Joseph that he shared with all who came in contact with him. On October 17, 2010, Brother André became the first Canadian-born male saint and the first saint for the Congregation of Holy Cross. He is living proof that "it is with the smallest brushes that the divine artist paints the most beautiful pictures." The film features

interviews from Montreal, Rome, and the United States—with people who knew him and others who continue Brother André's work today. It also includes footage of the beatification and canonization ceremonies in Rome and the celebrations in Canada.
