

The entire month of March except the very last day falls during the liturgical season of Lent which is represented by the liturgical color violet or purple — a symbol of penance, mortification, and the sorrow of a contrite heart. All saint days that are usually Memorials are shifted to Optional Memorials during the season of Lent. The last day of the month is the beginning of the Easter season.

**The Holy Father's Intentions for the Month of March 2024**

For the new martyrs: We pray that those who risk their lives for the Gospel in various parts of the world inflame the Church with their courage and missionary enthusiasm.

**The month of March is dedicated to St. Joseph.**
